AGK floor coverings

We, as AGK Floor Coverings, identify ourselves as a soft and resilient floor covering contractor not only for fitting, but also for design through in-house designers and architects, servicing all aspects of a successful contractual responsibility in handling any size project, in any country (Europe, Africa, Middle East, Turkey, Turkish Republics). During the past 30+ years, we have come a long way to be known as a leading soft and hard floor covering company, with leading global partners for commercial, residential and hospitality projects.

We thrive to be the best when it comes to service levels having the integrity, trust and passion for what we do. Our face is our people and we have an excellent team to deliver all that we promise.

FlorONE[®]
CARPET TILES

www.floronecarpettiles.com

AGK Floor Coverings pioneered the carpet tile business in Turkey, introducing the concept to the design market for the first time in 1986. FlorONE Carpet Tiles, which is one of the leading brands in Turkey, have been installed in many countries around the globe for the most prestigious projects and are distributed through AGK Floor Coverings.

resilient floor coverings

www.sqrvinyltiles.com

As AGK Floor Coverings, we are in a collaborating partnership with a leading South Korean manufacturer who are the innovator and creator of LVT / LVP (Luxury Vinyl Tiles, Luxury Vinyl Planks), which is a new generation resilient floor covering. LVT can now be seen in almost every project, either covering specified areas or covering all flooring areas due to its abrasion-resistant, flexible, sound absorbing, scratch-resistant, water-resistant, fire-resistant, anti-bacterial and hygienic features.

raised access flooring

www.vegayukseltilmisdoseme.com

AGK Floor Coverings has over 30 years of experience in raised access flooring systems and its installation. AGK is the sole distributor of Kingspan Raised Access Flooring, World's largest and most qualified producer, offering chipboard panels. AGK also offers chipboard, light concrete and calcium sulphate panels under its own brand, VEGA, covering the needs of all industries. Our panels are available in a wide range of options including steel encapsulated or uncoated (bare) or surface coated with PVC-HPL-Ceramic.

interior wall coverings

As AGK, we offer both interior and exterior wall coverings. Interior solutions are offered through Kerradeco, which is a modern, exceptionally durable material in which esthetics meet reliability. It retains the benefits stemming from the use of wall claddings but eliminates their imperfections. Kerradeco is easy to install, water-proof, impact and crack resistant, easy to clean, anti-bacterial with 10 years of warranty. Please visit www.agk.com.tr to view our collection
